Career Objective

Motivated and career-driven Django Web Developer with a strong foundation in Python, Django, and web development fundamentals. Seeking an entry-level opportunity to apply technical skills, enhance problem-solving abilities, and contribute to building scalable, secure, and efficient web applications while continuously learning in a growth-oriented team.

EDUCATION

B.Sc in Computer Science and Engineering at Uttara University (UU)	2023 - Present
CGPA: 3.11 / 4.00	
Higher Secondary Certificate Examination	2021 - 2022
GPA: 4.42 / 5.00	
Secondary School Certificate Examination	2019 - 2020
GPA: 4.72 / 5.00	

PROJECTS

1) Barryshop management: [GitHub \(Server Site\)](#) | [GitHub \(Client Site\)](#) | [Live Site \(Google Cloud and Local\)](#)

- Added **user authentication** (Sign up, Login, Logout)
- Optimized **Duplicate Queries** to Run Faster
- Implemented **CRUD operations** (Create, Read, Update, Delete) for managing tasks

2) TrandyHub: [GitHub \(Server Site\)](#) | [GitHub \(Client Site\)](#) | [Live Site \(Google Cloud and Local\)](#)

- Applied **form validation** and proper error handling
- Ensured **user-specific task management** (each user can view and manage only their own tasks)
- Implemented **basic security features** such as CSRF protection

3) PiShare: [GitHub \(Server Site\)](#) | [GitHub \(Client Site\)](#) | [Live Site \(Google Cloud and Local\)](#)

- Temporary Role-Based Access Control
- Scalable and Clean Architecture with Responsiveness
- Followed **Django MVT (Model-View-Template) architecture**

SKILLS

Programming Languages : Python , C/C++, JavaScript

Framworks : Django, TailwindCSS, Bootstrap, Springboot

Database and Tools : PostgreSQL, MySQL, GitHub, Cloudflare, Docker, Nginx

Deployment : Vercel, Render, Railway, Cloudflare Tunnel

Soft Skill : Leadership, Adaptability, Public Speaking, Student Mentorship

ACHIEVEMENTS AND EXTRACURRICULAR ACTIVITIES

Excel Essentials for Workplace Productivity

Unleashing Cognitive Empowerment

Workplace Communication Essentials
